

Home Maintenance & Repair Services

August 12, 2010

The names of the listed service companies and individuals have been provided by Myrtle Trace residents who have used and referred them within the past five years. There can be no guarantee, however, that everyone will have the same experience with any one of these companies or individuals and in no way does the publishing of this list indicate that those listed are tradesmen approved by the Myrtle Trace Homeowners Association. This list's only purpose is to organize word-of-mouth referrals provided by Myrtle Trace Residents. Please help maintain this list by providing names of those you would refer. Call Jim Wilkison at 347-6400 or e-mail wilkison182@aol.com

Below are the names of Myrtle Trace residents who donate their time to helping those residents who need assistance with small home repairs, etc.
